MEMORANDUM FOR: Secretary IAC

SUBJECT : Paper Mills, Fabrications and Source Control

REFERENCE : IAC-M-66, dated 27 March 1952.

1. Subsequent to the date of the above reference, an IAC ad hoc subcommittee met to determine methods for negating the activities of Paper Mills and Fabrications and for devising source control procedures. Attached is a paper, which has been agreed to by the membership of that committee.

2. It is requested that this paper be placed on an early IAC agenda for approval of the recommendations therein proposed.
